  - \*\* The Kolin motorized infantry division is believed to be the 8th Mtz Inf Div, which was last identified in Kolin in April 1949.
  - \*\*\* The data concerning organization, armament and EM classes of the 69th Mtz Inf Bn agrees with previous information.
- (1) Although Utvar No 5354 was observed with the battalion in January 1949, the reported Utvar No 5350 is considered correct since the evaluation of Utvar numbers indicates that, of the 53xx series, only Utvar numbers up to 5350 are in use.
